Job involves all aspects of working at a plant nursery with the main focus of helping customers choose plants for their projects.

Experience with plants necessary (on the job or secondary education) but will train as well. A great job for someone that has been in the landscaping business but prefers selling over installing. Job does require lifting, loading, and unloading of plants. Job is generally outdoors. Country Arbors offers matching 401K, paid holidays, and year end bonuses. Pay is based on experience. We are an Equal Opportunity Employer.

Workweek is 4 days Monday through Friday generally from 8am to 4:30pm and Saturdays 9-5pm. May involve overtime during busiest seasons.
